

A scenic landscape featuring a field of yellow and purple flowers in the foreground, a rocky coastline, and a sunset sky over the ocean. The sky is filled with soft, warm colors of orange, pink, and purple, transitioning into a clear blue at the top. The ocean is visible in the distance, with gentle waves lapping against the shore. The foreground is dominated by a dense field of small yellow flowers, with several taller purple flowers scattered throughout. The overall mood is peaceful and natural.

Nature is the source
of all true knowledge.

- Leonardo da Vinci
